VZPOMÍNKA NA ROK 2020

$$100 + \begin{array}{|c|c|c|} \hline \text{Chessboard} \\ \hline \end{array} + 0 + \begin{array}{|c|} \hline \text{Graph} \\ \hline \end{array}$$

The image shows a hand-drawn equation: $100 + \text{Chessboard} + 0 + \text{Graph}$. The "Chessboard" is a small diagram of a chessboard with three pieces (a king, a queen, and a rook) and a shaded area. The "Graph" is a coordinate system with a curve passing through the point (1, 1).
